Dear Mr. Wightman,

I wish to be considered for your recently advertised position of Outreach & Partnership Coordinator. I have more than 2 years of experience working with patients and with the public.

Here is what I can do for you:

- Offer the knowledge and the network I acquired while working with health promotion with the Brazilian community in Utah County;
- Be culturally sensitive due to my experience working cross-culturally and cross-linguistically with the Hispanic/ Latino, Asian, and European people;
- Create designs and use digital communication as a mean of outreach;

I would welcome the opportunity to meet with you and discuss in detail how I can bring value to the Utah Public Health Association in this position. Please call me at (801) 494-3594.

Thank you for your consideration and I look forward to speaking with you.

Sincerely,

Eloise Tsukuda.
