Utah Public Health Association

June 26, 2020

To whom it may concern:

My name is Javier Campos. It is my understanding that the Utah Public Health Association is looking for a Project Coordinator, Project Communication & Membership Coordinator, and a Project Outreach & Partnership Coordinator.

I would like to be considered for either of these three positions. I have been working with the Latinx and Refugee Community for the last 12 years in different capacities in the areas of Glendale, West Valley, Rose Park and Kearns. I have established a trustful relationship with these communities and a network with other agencies in the valley like: the Mexican Consulate in Salt Lake, Health Department, Salt Lake County, Glendale Community Learning Center (CLC), Mountain View Elementary, etc.

I have a Bachelors and Master's degree in social work as well as a Bachelor's degree in Teaching Spanish from the University of Utah. I Have experience developing and delivering behavioral health curriculum (Safe Dates, Strengthening Families, Step Families, Juntos Caminando), hiring and supervising staff, co-writing grants, filing and maintaining reports, uploading information to data bases, community outreach, recruitment, creating new ways to provide case management to families due to COVID-19 (via text, Zoom, Teams, WhatsApp, phone, Bluejeans and in person following Health Department Regulations),needs assessments, etc.

I am a culturally competent social worker who can accommodate to new challenges and changes. I am a hard worker who loves to work in teams but can also work individually producing excellent results. I possess excellent written and oral skills in Spanish (my first language) and in English.

I know and understand the needs and concerns about COVID-19 within the Latinx and Refugee Community and it is my desire to serve these and all populations at this critical time. I assure you that if you give me the opportunity to work with this project, I will honor the trust and work above and beyond to bring results to the department and the community.

Thank you in advance for your consideration. I can provide letters of recommendation upon request.

Sincerely,

Javier Campos, MSW
